EDUCATION WITH MORALITY

Big dreams. Bright minds. Better futures.

A learning family in Topsia, Kolkata. Explore your next academic step at ISCA — and an early-years beginning at Flora Play School.

Real school moment · Official ISCA Annual Function reel · September 2026

CLASSES VII–XII

School learning

Enquire about Science, Commerce and Arts subject support. Public material lists CBSE, ICSE / ISC and WBBSE / WBCHSE.

JEE & NEET

Bigger ambitions

Discuss current entrance-exam preparation options, supported subjects, faculty and available batches.

B.COM & B.A

Your next chapter

Ask about undergraduate subject support for your semester and syllabus. No degree-awarding claim is made.

HISTORICALLY ADVERTISED TRACKS

Skills for what's next

Ask whether spoken English, basic computer learning, and Java / Python / C / C++ courses are currently available.

Please confirm current courses, fees, schedules and eligibility directly. Listed school boards refer to tuition / exam support, not affiliation. This overview is based on public material reviewed on 12 October 2026.

Flora Play School

Where every child blossoms

Small steps.
Wonderful beginnings.

A nurturing introduction to learning, friendship and self-expression. A place for little discoveries — and a whole lot of growing.

Flora children at ISCA's Annual Function · Still from the official September 2026 event reel

Montessori 1

2.5–3.5 years

A happy first step into exploration, early friendships and everyday discoveries.

Montessori 2

3.5–4.5 years

Growing independence, self-expression and readiness for more structured learning.

L.K.G / KG

4.5–5.5 years

An early-years pathway towards foundational learning and school readiness.

Age bands follow Flora's March 2026 public Facebook information. Confirm cut-off dates, eligibility and current admissions with the school. No historical seasonal offer is presented as current.

Let's talk about your tomorrow.
